Office of the DD/S&T

TO: Director, OD&E

SUBJECT:

REMARKS: Bob,

I called Charlie Jacobs and told him we do not wish to support issuing another KH-11 handbook. I note your statement that OD&E has put together a good training program for the Community on how to task the systems. Would you have somebody get in touch with Charlie to ensure we are doing all we can to help them do their job? Thanks.
